

Financial Services and Credit Guide

KRA Financial Group Pty Ltd trading as KRA Wealth Management

Version: 11.0

Date prepared: Monday, 28th June 2021

Authorised Representative of
AMP Financial Planning Pty Ltd

This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services we offer. It sets out:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee, AMP Financial Planning Limited (AMP Financial Planning)
- our fees and how we, and AMP Financial Planning are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or AMP Financial Planning

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product. You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Lack of independence

We are not independent, impartial or unbiased in relation to the provision of personal advice because:

- We may receive monetary and non-monetary benefits from product providers.
- Generally, we recommend products that are contained within our approved products and services list (APSL) which contain products and services from external providers and some which are related or associated with AMP Financial Planning. We may also hold shares in AMP Limited.

About KRA Wealth Management

KRA Wealth Management is a leading financial planning business with a strong heritage. We have built an enviable reputation for providing financial solutions you can trust.

KRA Wealth Management is the bringing together of 2 outstanding Financial Planning businesses.

Mark O'Leary and Alan Crosby, after starting careers as Financial Advisers in 1984, launched KRA Financial Group Pty Ltd (KRA) in 1997. The name KRA came from the acquisition of Ken Rattray & Associates - a business that started in 1968. Based in Melbourne, KRA provides professional private wealth and financial planning services to executives, business owners, families, and retirees.

President Financial Services Pty Ltd (PFS) is a business with an outstanding pedigree. Commencing in 1988, PFS focuses on providing outstanding financial services and advice in the corporate superannuation and employer marketplace. Clients include many high-profile family-owned businesses and sporting organisations based in Melbourne and across Australia.

KRA Wealth Management represents the future - a new name that values the heritage of KRA and PFS but more importantly, is contemporary and ahead of change. The need for Australians to access qualified, comprehensive, and professional financial advice will only increase into the future as our lives seemingly become more complex.

As such:

- We share the same commitment to professionalism, best practice, and the strong belief in the value of financial advice
- We have compatible skills making the acquisition seamless
- By keeping the PFS business largely intact, we have provided continuity and certainty to their clients
- We see many advantages in providing "cross border" financial services

The privilege of being a financial Adviser is that we are often part of key moments in our clients' lives, in order to strengthen the value we provide. As KRA Wealth Management, we enjoy the expertise of a team of professionals with an outstanding industry track record. Our clients benefit from our integrated offer together with stock-broking, legal and accounting partners. We are an advice-based business providing access to services on a "fee for service" basis.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Changing service providers

To ensure that you are provided at all times with ongoing servicing to meet your financial needs, we may transfer our rights and obligations under our servicing arrangement with you to another adviser or financial planning practice within the AMP network or to another AMP licensee (the new service provider). If we do this, the new service provider will provide the servicing to you and will be entitled to the agreed fees. The new adviser will also take over the rights and obligations on the same terms and conditions set out in the servicing arrangement and we will be released from those rights and obligations. We will write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services, we provide you may not be appropriate for you.

Our fees

The actual fee charged to you will depend on the nature of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed. The following section outlines the types of fees that may apply:

- A set dollar amount; or
- A percentage-based fee

Our agreed advice and service fees may include charges for:

- Ongoing advice and services
- Annual advice and services

Please note that for services in relation to insurance and some credit products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the loan, or on renewal of insurance products

We may also receive commissions for deposit bonds. Details are in the schedule of fees.

Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided)

All permissible fees and commissions will be paid directly to AMP Financial Planning as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue over a 12-month period.

If we leave the financial services industry or can no longer appropriately service a selection of our clients, AMP Financial Planning will either look after our clients or appoint you to another adviser or financial planning practice within the AMP network.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

This support may be dependent on a number of factors including the experience of the adviser and their tenure at our practice.

The support mentioned above is paid by AMP Financial Planning directly to the education or technology software provider and not to us.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning.
